RFC team visit KIAP **P.1**

Kinfra Parks bags Award **P.2**

Rajasthan Financial Corporation Officials Visit KINFRA International Apparel Park

A delegation from the Rajasthan Financial Corporation (RFC), led by **Shri. Hari Mohan Meena IAS**, Managing Director, visited the KINFRA International Apparel Park on November 13, 2024.

The team, which also included **Shri. Muhammad Junaid IAS**, **Shri. Pankaj Purohit, General Manager**, and **Shri. Ravinder, Manager-MS**, aimed to study the Kerala Financial Corporation's performance in providing financial support to industrial units in Kerala.

Renowned for its 'Kerala Model' of industrial growth, Kerala offers a variety of schemes to support the industrial community. The Kerala Financial Corporation plays a crucial role in implementing these schemes. Many companies in KIAP has availed loan facility from KFC.

The RFC team was keen to learn about these initiatives and explore potential strategies to stimulate industrial growth in Rajasthan.

The team met with the management of Ananth Technologies Ltd. and Travancore Aerospace.

UPGRADING INFRASTRUCTURE OF KIAP UNDER MSME-CDP SCHEME

The tender has been published, and the technical evaluation is currently in progress. The work is expected to be awarded by the end of December 2024.

MAINTENANCE OF BOUNDARY WALL

The repair work has been completed, and the barbed wire fencing is scheduled to be finished by the end of this month.

KINFRA MD, Shri Santhosh Koshy Thomas receiving the award for Swachh Industry Park on behalf of KINFRA from Union Minister for Commerce & Industries, Shri Piyush Goyal

KINFRA Parks Honored with National Awards for Excellence in Cleanliness and Sustainability

We are thrilled to announce that KINFRA Parks have once again been recognized at the national level. **KINFRA's Palakkad Integrated Industrial and Textile Park and Kalamassery Hi-tech Park** have been awarded in the Infrastructure Champions category at the Swachh Industry Park Awards, organized by FICCI to promote cleanliness and waste management in industrial parks across India. The awards were presented by the Minister of Commerce & Industries, Piyush Goyal, at a ceremony in Delhi. It is a matter of pride that both KINFRA parks were nominated and selected for this achievement. Notably, Kalamassery Hi-Tech Park was also recognized last time as one of the best parks in South India.

Organized by the Federation of Indian Chambers of Commerce & Industry (FICCI), the Swachh Industry Park Campaign encourages industrial parks owned by state governments and union territories to adopt best practices in cleanliness and sustainability. Out of 137 parks that competed in various categories, FICCI's expert panel conducted on-site inspections at both KINFRA parks in September, verifying documentation and interacting with individual units to understand how KINFRA supports businesses. **Shri. Santosh Koshy Thomas, Managing Director, Kinfra** received the awards from **Union Minister of Commerce and Industry Shri. Piyush Goyal.**

The Union Minister lauded Kerala's commitment to maintaining high standards in its industrial parks alongside its efforts to attract investments. He also praised the state's achievements in other sectors, including tourism, calling them commendable. According to **Shri. P. Rajeev, Industries Minister**, this achievement underscores KINFRA's commitment to fostering clean, green, and sustainable industrial environments. "It also highlights Kerala's ability to balance industrial growth with environmental consciousness, setting an inspiring example for the rest of the country. Winning these awards is a proud moment for KINFRA and all of Kerala, showcasing the state's dedication to building a cleaner, greener, and more sustainable future for its industries and communities," he said.
